### That Hour Lost To-Day Will Come Back Oct. 26

THE nation's clocks were advanced one hour at 2 o'clock this morning and from now until October 26 "clock time" instead of the usual standard time will prevail. On the last Sunday of October, the lost hour will be restored when all the clocks will be turned back sixty minutes.

The time changes are authorized under the daylight saving law passed by Congress last year a conservation measure Farmers' representatives, dis-satisfied after one season's trial, sought to have the act repealed, but the agricultural appropria-tion bill with a repealing rider failed with other measures killed by the Senate filibuster.

Situation Complicated by Omitting Her Through the Two Councils of Four.

By LAURENCE HILLS.

Biaff Correspondent of Tun Scs. Copyright, 1919; all rights reserved Panis, March 29. - The Monros Doctrine amendment to the League of Nations covenant, about which there has been much mystery during the week, has become the subject of bargaining, it was learned to-day. At the last meeting of the league committee President Wilson did not offer the amendment, as he previously had announced he would do, because at Americans in Paris Hear of Differences of Opinion Said to the last moment he was apprised informally that objection would be raised to it. Since then the President has not mentioned the amendment

and the only explanation offered is this mysterious objection. The idea that President Wilson never really intended to make a fight for the Monroe Doctrine is repudiated by some of his friends here, who insisted to-day that he was still hopeful

of getting it admitted in some form to the League of Nations covenant. The President as late as Wednes day had two drafts of proposed fulfilled and that still more time will changes, one mentioning the Monroe Doctrine specifically and justifying it worlds to conquer and the Reds creep on the ground that it would help to preserve the peace of the world, while the other was couched in more general terms, not mentioning the Mon

roe Doctrine by name

minds to come out flatfooted in favor Japanese Complication Intimated The former was favored by most of the commission, who had become convinced that the covenant would have hard sledding without specific On the other hand the French, who, mention of the doctrine, and it is eviit is believed, have the support of the dent that this was the amendment epresentatives Prof. Philip Brown of Italians, and possibly of the Japanese, that was the subject of the diploare pleading that this would be a fatal matic incident which upset the Presi-
